*Northampton,* Monday, *Aug.* 13. at *Northampton.*

*Naples, June* 8. This Week ſeveral ſolemn Proceſſions have been made here by Order of our Archbiſhop, to implore the Divine Benediction upon our Kings Arms. The two Gallies which tranſported 300 men to *Porto-Ercole,* are returned hither; and a Galliot of *Lipari* hath lately taken a Felucca of *Meſſina* manned with 20 men. We have an account that the 12 Gallies which ſailed from *Meſſina* the laſt month, returned thither again the firſt inſtant, and having taken freſh Forces on board, ſailed again, with deſign, as is ſaid, to go and beſiege *Catanea,* whither ſeveral Troops are likewiſe marched by Land.

*Venice, June* 18. The great fears we had of the *Turkiſh* Fleet, which was ſaid to conſiſt in above 100 Sail, come to nothing, for we are now aſſured that there only 18 *Turkiſh* Gallies with ſome Men of War abroad, bound for *Tripoli,* whither they carry a new Baſſa. From *Conſtantinople* they write, that the Grand Signior had reſolved to fix his reſidence there, and that he had ſent to the Czar of *Moſcovy* to demand the Surrender of that part of the *Ukraine* lately poſſeſſed by *Doroſenſko,* which if refuſed, War would be immediately declared.

*Diepe, June* 19. The Affairs of the *Spaniards* in *Sicily*
